New Year Checklist

Planning Points to Review

Notes:

- A beneficiary review for qualified plans, IRAs, life insurance, and etc.
- Review of the titling assets, bank accounts, brokerage accounts, property, and etc.
- Update wills, trusts, powers of attorney, and other estate planning documents.

Update Goals

Changes in your personal Life can also have an impact on your financial goals.

Review the following list to see what adjustments may need to be made:

- Have your long-term savings goals changed (e.g., target retirement income, target retirement date)?
- Have your intermediate-term savings goals changed (e.g., vacation home, college savings, etc.)?
- Has your ability to save changed (e.g., change in income or expenses)?
- Have you set any new financial goals?

Prepare for the Unexpected

Many financial experts recommend a liquid “emergency fund” large enough to cover 3 to 6 months of expenses. Use the following formulas to determine an adequate emergency fund balance in the event of a temporary decrease or loss of income:

Monthly expenses: \$ _____ x3 = \$ _____
Monthly expenses: \$ _____ x6 = \$ _____
Current Emergency Fund Balance: \$ _____

Notes:

Review Your Tax Status

The amount of taxable income you receive in a year can impact not only your effective and marginal tax rates, but also the investment strategy in your taxable investment accounts.

- What was your employer-sponsored income last year?
- What do you estimate your marginal tax rate to be this year?
- Do you anticipate a change in your income this year? ___ Yes ___ No +/-
- Have you reviewed your taxable investments with your financial professional? ___ Yes ___ No

Notes:

Review Retirement Plan Contributions and Eligibility

Participating in an employer sponsored retirement plan can be one of the easiest ways to save for retirement as well as reduce your current taxable income. The salary deferral contribution limit to an employer sponsored qualified plan in 2015 is \$18,000 with a \$6,000 catch-up contribution for individuals over the age of 50.

- Are you participating in an employer-sponsored plan? ___ Yes ___ No
- If yes, what is your current contribution amount? \$ _____ % of compensation
- If you are 50 older, have you signed up for catch-up contributions? ___ Yes ___ No ___ Unsure
- Does your plan offer a designated Roth option? ___ Yes ___ No ___ Unsure

Notes:

Fund a Simplified Employee Pension (SEP IRA), Solo 401(k), or Solo Defined Benefit Plan

Business owners often sponsor small business retirement plans as a way to save for retirement. These plans can also offer the business a significant income tax deduction. Also, as a small business grows, its retirement plan needs and goals often change.

- If you are a small business owner, do you have a small business retirement plan? ___ Yes ___ No
- If you have a small business retirement plan in place, does it still meet your needs? ___ Yes ___ No
- When was the last time your plan was reviewed?

Check IRA Eligibility

The maximum annual IRA contribution for 2015 is \$5,500 with an additional \$1,000 catch-up contribution allowed for individuals age 50 or older. The ability to deduct a Traditional IRA contribution is dependent on your level of income and whether you or your spouse are covered by an employer-sponsored retirement plan at work. Your ability to make a Roth IRA contribution is also dependent on your level of income. IRA contributions can be made up until the individual tax filing deadline without extensions (April 15).

- Are you eligible to make a deductible Traditional IRA contribution? ___ Yes ___ No
- Are you eligible to make a Roth IRA contribution? ___ Yes ___ No
- Would you like to make a non-deductible Traditional IRA contribution? ___ Yes ___ No

Notes:

Plan for RMDs

On certain qualified accounts, required minimum distributions (RMD) must begin no later than April 1 of the year following their attainment of age 70 ½. Account owners over the age of 70 ½ must take their RMD by December 31 of the current year.

- If you are turning age 70 ½ this year, have you arranged to take your first RMD? ___ Yes ___ No
- If you are over 70 ½, have you taken or will you take your RMD for the current year? ___ Yes ___ No
- Are your RMDs being used for necessary living expenses? ___ Yes ___ No

Notes:

Help Protect Assets

Having adequate levels of insurance coverage can protect you and your family from financial ruin if a catastrophic event were to happen. Complete the following chart and review it with **Julianne and Katie** to make sure your current coverage meets your needs:

Type	Insurer	Coverage
Life Insurance		
Health Insurance		
Long Term Care Insurance		
Disability Insurance		
Liability Insurance		
Umbrella Insurance		
___ I do not have one or more of the above types of insurance		

Notes:

Evaluate Annual Gift Giving and Charitable Contributions

Gift giving away assets can be an effective way to reduce your taxable estate, as well as give your beneficiaries immediate enjoyment of those assets. In 2015, individuals can gift up to \$14,000 per person per year without any gift or estate tax concerns. (Spouses can combine this amount and gift up to \$28,000 per person per year.) If you are charitable inclined, making gifts to charitable organizations during your lifetime may also provide a current income tax deduction. Any eligible deduction is dependent on your income and the nature of the organization or type of charity.

- Do you plan on gifting assets to family members or friends? Yes No
- Do you plan on making any charitable donations or gifts? Yes No
